ITEM	DETAILS
Teaching & Learning	<p>Since Covid-19 closures teaching and learning has continued remotely using seesaw app. A plan of work is emailed each Sunday evening and new lessons are uploaded to the app each day. All students have hard copies of all worksheets and all of their schoolbooks. Zoom class calls have taken place every second Wednesday. A great opportunity for us all to catch up, share our news and discuss our new theme.</p> <p>Active Week took place between Thursday May 28th and June 3rd. There was a fantastic level of participation and fun was had by all. All participants received a medal and certificate in the post. As book week did not take place in April as planned it will take place in the final week of the school year.</p>
Junior Infants 2020/21	<p>A zoom meeting with parents of our junior infant 2020/21 class will take place on May 25th at 7pm. Ms McArdle and Ms Kildea have been sending videos of stories/games/poems to our incoming junior infants over the last number of weeks to help ease the transition to primary school.</p>
